State of Iowa County Attorneys

I am respectfully requesting your government body's most recent monthly billing receipt with Microsoft 365, Google Workspace, or other vendors providing information system licensing and the quantity of users licensed by your government body.

I am going to correct the evidence of unethical conduct that some have manifested evidence supporting regarding fees that are not consistent with Iowa Code Section 22.3 so that the State of Iowa is no longer able to victimize future Iowa citizens.

Fact: Iowa State University, University of Iowa, and University of Northern Iowa completed all of my previous record requests for \$60 or less.

Fact: These universities have tens of thousands of users that these searches were conducted on.

Fact: These universities have reported information system licenses and quantities.

Thereby obsoleting any future Iowa government body with 100 or 300 end users with the ability of pulling 3 or 4 figure fees out of thin air for an identical search.

Fact: The originator of this record request has already uncovered nearly 1 half million in alleged fraud generated by the City of Marshalltown, IA through evidence supporting the City of Marshalltown IA's misrepresentation of their government body's Zimbra 8 and 9 mail server capabilities.

Fact: Public records are on hand showing dozens of Iowa Counties involved in the Iowa Public Information Board's alleged disability-based discrimination via a 2023 teleconference with the Iowa State Association of Counties.

Fact: Approximately 80 Iowa Counties Attorney's produced evidence of failing to respond to my January 2024 record request.

Fact: 1 Iowa Public Information Board Executive Director produced evidence of sweeping these complaints under the rug.

Operational Timeline

18 DEC 2024: Submission of open records request in accordance with Iowa Code Section 22.4(2.)

07 JAN 2025: Expiation of suggested time provided in Iowa Code Section 22.8(4.)(d.)

08 JAN 2025: Production of evidence of county attorney's violation of Iowa Rules of the Court Chapter 32 (See: [Iowa Rules of the Court Sections 32:4.4\(a.\) and 32:8.4\(a.\)](#))

To those who have answered my previous public record requests with compassion and honor it was my honor to serve you. At the same time, it is those few that have preserved my faith in this nation.

I am committed to protecting and defending the rights and liberties of those I have served for twenty years of my life. The evidence showing the State of Iowa's discrimination against me, unethical attacks, and criminalization are irrelevant. It is impossible to cause further damage to someone or take anymore away from those who have nothing left to live for except the hope and prayer that light will shine in the morning.

To any Veterans reading this when our bodies are no longer standing watch in defense of our great nation's physical borders it is then we must work to defend the spirit of this great democracy.

Respectfully,

Michael J. Merritt, USN Retired/Writer
